

THE MIKE'S BARBECUE HOUSE TIMES

MikesBarbecueHouse.net 936.560.1676

Mike McClellan was literally raised in a restaurant. He remembers growing up in his family’s business, The BBQ House, playing in the wood shavings on the floor, drinking bottled Cokes and milk from a carton and eating delicious beef sandwiches. So, it wasn’t much of a surprise when, at the age of 21, he decided to take the family business to the south side of town. Mike’s BBQ House opened its doors at its original location on April 30, 1986, and Mike hasn’t looked back since. He kept many things the same, but added a few more choices to the menu, like the house specialty beef and link po-boy and super stuffed potato. When he moved to the current location at 1622 South Street in 2000, he added fried catfish, fries, a ribeye po-boy and a back room for parties. With a full selection of smoked meats, homemade sides and fresh fish, Mike, his son, Cole, and the staff strive to provide friendly, efficient service.

Mike, Shannon and Cole with their friendly staff invite you to The Mike’s Barbecue House experience! With a large menu full of variety and tasty options, you’ll find something to fill your stomach and put a smile on your face. Dine in, drive-thru window, to-go and catering.

Providing Quality Materials Since 1983

What began in 1983 as a small grinding operation has grown into one of the region's largest and most respected suppliers of bark mulch, rock, sod and landscape materials. With primary locations in Texas and Louisiana, Bailey Bark Materials processes tons of timber by-products each day and delivers landscaping materials to customers near and far.
